### IN THE PACKAGE:

- 3 sets of 56 Mini Challenge Cards
- 2 sets of 56 Large Challenge Cards
- 8 pairs of melons (to write on)
- 4 markers (to be shared if there are more than 4 players)
- 50 Large Sausages & 100 Small Sausages
- 1 Tape Measure for measuring sausages at the end

### -HOW TO REACH CLIMAX:

- The winner is the player with the longest line of sausages at the end. For this, you need to earn sausages by overcoming challenges.

### -PRELIMINARES DO JOGO:

- Gather around a table.
- From the box, take 1 set of big cards and 1 set of small cards to play with.
- Shuffle them and place them side by side and face down on the table.
- Place the sausages and markers on the table.
- Each player grabs 1 pair of melons for themselves.

### -HOW TO PLAY

- The player with the largest foot size starts the game by drawing a Challenge Card from the top of a pile of their choice. They read it silently, announce the type of challenge, and act according to the instructions (see details on the back).
- Each card contains a challenge that, if overcome, entitles you to Sausages:
  - Large Cards are worth 1 Small Sausage
  - Small Cards are worth 1 Large Sausage for each of the pair.
- As you collect Challenge Cards, you may encounter Special Cards (see the Special Cards section). When you get one of these cards, keep it without showing it, to use later, and draw a

new card until you get a challenge.

- Then, regardless of whether you overcome the challenge or not, you pass the turn to the player on your left who repeats the procedure, and so on until:
- The first pile of cards comes to an end.
- Or the first group of sausages (big or small) reaches the end.
- After being used, challenge and special cards are removed from the game.
- This is the time for the final challenge, the GRAND ORGY (see instructions in the back).
- Once the GRAND ORGY is over, the party is counted. Everyone lines up their sausages on the table and measures the row using the provided tape measure.

**The player with the longest row of sausages  
WINS THE MATCH!**

### Friendly advice:

This game is every man for himself, no strings attached. To overcome doubles challenges, players must find a partner who will give their consent.

Do not make vows of eternal love so as not to disappoint expectations. To have a better chance of winning, they must choose the pair depending on the type of challenge presented.

### SPECIAL CARDS:

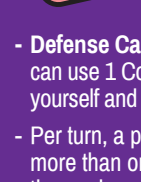

**Viagra Card:** You get a Big Sausage and draw a new Challenge Card.

- **Attack Cards:** Keep these cards to yourself without showing them. You can use them to attack your opponents at any time.

**STD Card:** You lose a Small Sausage.

**Unwanted Pregnancy Card:** You lose a Big Sausage.

- **Defense Cards:** When you're attacked, you can use 1 Contraceptive Card to defend yourself and reverse the penalty.
- Per turn, a player cannot be attacked by more than one opponent. After being used, the cards are returned to the bottom of the deck.

## CHALLENGES BIG CARDS

ALL  
TOGETHER

### QUICKIE

Everyone joins in. The player who drew the card reads the question and the three answer choices (A, B, or C) aloud. The correct answer is marked with a ✓.

The first player to shout out the correct answer wins a Small Sausage. The person who reads out the card (and who doesn't answer) also gets a Small Sausage if someone else guesses correctly.

### KINKY TEST

Place the card on the table. All players must vote by writing A, B, or C on their melons.

The option with the majority vote wins, and everyone one who voted for it wins a Small Sausage. If there's a tie or everyone votes for the same option, no sausages are awarded.

- B Cowgirl
- C Kangaroo

## CHALLENGES SMALL CARDS

PAIRS

### CHEMISTRY

Choose a partner. Both of you must then read the question on the card and secretly write down your answer on your melons. If your answers match, that means you have chemistry, and you both win the challenge.

### BODY LANGUAGE

Choose a partner and read the word on the card. Without speaking and by using only gestures, murmurs, or sex noises, you need to help your partner guess the word. If they guess correctly, you've won the challenge.

### ORAL

Choose a partner. Read the romantic phrase written on the card and try and get your partner to guess it to win. You're "doing oral" here, so keep your mouth open – if your lips touch, you lose the challenge.

### WET DREAMS

Choose a partner. Write the name of a celebrity who turns you on on your melons. Your partner has up to 5 "Yes or No" questions to guess the person's name. If they get it right, you both win the challenge.

## FINAL CHALLENGE

ALL  
TOGETHER

### THE GRAND ORGY

This is the ultimate challenge. Get into groups of 2 or 3 people. The aim is to hold a specific position for as long as possible:

- 1 member of the group does not touch anything, not even the floor - can only touch group partners;
- 1 element remains balanced on just one leg / 2 elements if the group is made up of 3 people;
- 1 group member squeezes their buttocks with both hands;
- Everyone maintains permanent physical contact.

They have to maintain the "human statue" by following the rules for as long as possible. As soon as one element falters, their group loses.

Each member of the group who lasts the longest receives 3 LARGE SAUSAGES.
